

Credit System of each CiC partner university

November 30, 2022

University	University of Tsukuba	National Taiwan University	Universidade de São Paulo	Universiti Teknologi Malaysia	Ruhr University Bochum	Al-Farabi Kazakh National University
International credit transfer system adopted	The UMAP Credit Transfer Scheme (UCTS)			The UMAP Credit Transfer Scheme (UCTS)	European Credit Transfer System (ECTS)	European Credit Transfer System (ECTS)
Related Websites	Credit and Grading System (Undergraduate) *Please refer to "I Academics." Credit and Grading System (Graduate) *Please refer to "General Guide to Academic Courses and Registration."	Credit and Grading System	Credit System #1 Credit System #2 Grading System	Credit and Grading System	Credit System	Credit System Grading System
Total hours of academic work (including individual study) per credit	45 hours	The credits do not represent the study load of the courses. Varying from course to course, additional hours for the preparation of examinations and independent study may be required outside the lecture hours.	At the undergraduate level, 1 Semester Hour Credit corresponds to 15 contact hours and 1 Coursework credit corresponds to 30 hours of coursework spent on learning sessions guided by the faculty. At the master's and PhD level, a credit unit corresponds to 15 hours of activities that students are expected to perform, no matter if they are spent on class attendance or on the elaboration of the dissertation or thesis.	40 hours	30 hours	30 hours
Teaching hours per credit	- Lectures and Seminars (15 hours) - Foreign Language (22.5 hours) - Experiment Work and Practical Training (30 hours) - Physical Education (30 hours)	- Lectures (18 hours) - Experiment Work and Practical Training (36 hours-54 hours) *Different courses may have different course units and hours. The students are advised to provide their course syllabus to their home university for credit transfer.		- Lectures (14 hours) - Laboratory / Studio / Project/ Fieldwork (28 to 40 hours)	We only assess the total workload, i.e. preparation, attendance of learning activity, follow up	At least 9 - 10 hours
